Calendar of 2011 Club Events

Sunday, 02 January 2011 08:40 administrator

Steve Abraham has sent in the list of club events for the 2011 season. I'm still awaiting information as to which events are the counting league events, so keep an eye on this page [now added]. Please notify Robert of any mistakes in this list.

Also note that the [London North District](#) website has information on all the events in their district.

The listing of [Northampton and District CA events](#) is also available (pdf).

Here is a [combined listing of the NBRC and TeamMK club events for 2011](#) (pdf). At the time of writing, the TeamMK website doesn't have their events for 2011 listed.

Here's a link to [the Beds Roads CC 2011 calendar](#) (pdf) - apparently the SPOCO events are for BRCC and interclub only.
